About Us:

ROYAL HOUSE is an industry-leading manufacturer and distributor of flooring products with over two decades of state-of-the-art manufacturing expertise, product innovation and development. We specialize in tile, quartz stone, and LPV. With a dedicated global supply chain management system, we have partners, distribution centers and manufacturing facilities across the globe. We annually produce millions of square meters of covering products and have supplied to some of the largest U.S. firms, including hospitality brands such as Hyatt Hotels & Resorts, Hilton, and Marriott International.

Make your dream spaces come alive with our tiles. Perfect for vanity tops, flooring and walls, our porcelain tiles are sustainably designed and made in Vietnam.

We continuously strive for perfection- from manufacturing to final product.

With family, quality, and legacy as part of our core values, we are a customer-centric firm that takes pride in offering high-quality products with timeless designs.

VENETIAN Collection

Immerse yourself in the timeless allure of the “Venetian” Collection, a tribute to Italian heritage and architectural splendor. Inspired by the elegance of Venetian marble, the tiles boast a captivating ivory marble-design adorned with a delightful matte texture. The collection’s two signature designs, Verona and Mirano, gracefully showcase clean, sophisticated veins that evoke a sense of Italian-inspired prestige. Transform your space into a haven of luxurious tranquility and refined opulence with the Venetian Collection.
